Anysize Jumping & Anysize Agility:

Only open to dogs that are not entered into any other classes at this show. These classes are intended for older dogs, younger dogs, and dogs returning to Agility after injury / ill health, or dogs that don't fit in elsewhere. There will be no tyre, long jump, or weaves in the Jumping Classes. There will be no tyre, weaves, long jump, or see-saw in the Agility Classes. The Dog Walk will be set at a height of approximately 1 metre (3ft 3ins), and the A-Frame will be set at a height of approximately 1.52m (5ft 00ins). Handlers will have a choice of which height of jump they run their dog at, i.e. either: 45cm - medium, 35cm - small, or 20cm - Micro heights) - this will be irrespective of the size of their dog.

Clock Face Jumping:

This course will be set out so that it resembles the face of a clock. There will be a jump or tunnel in the centre of the ring and other obstacles placed around the outside like the numbers on a clock face. The idea will be to start at the top of the ring / clock, followed by the centre obstacle, and then work your way around the clock face negotiating the centre obstacle between each clock face number, until you have worked your way around the clock.

Silent Jumping:

This will be a standard Jumping type course, where the Handler is not permitted to give any verbal commands or make any type of noise. Any handler giving verbal commands or making any noises, e.g. clapping their hands, will be eliminated. *A verbal start line release command will be permitted.* In addition to Rosettes & Trophies for each size of dog / height jumped, the overall winner will be presented with the "Triffic Travis Memorial Shield" in memory of Redgates Deaf & Epileptic Dog, Travis.

NBC (Nothing but Collies) Classes:

Only open to Border Collies, Working Sheepdogs and their crosses. In the event of a dispute, the Judge's Decision will be final.

ABC (Anything but Collies) Classes:

Open to all dogs except Border Collies, Working Sheepdogs and their crosses. In the event of a dispute, the Judge's Decision will be final.

Practice Ring:

A Practice Ring will be available (if space allows) for dogs entered in any of the classes available.

Show Status:

This show is licenced by the Kennel Club and is being run in full compliance with all relevant Kennel Club Limited Rules & Regulations. Therefore, ALL Dogs competing at the Redgates Show must be registered with the KC, and have a completed KC warrant / record book. All Small & Medium Dogs must be measured. Dogs that are obviously large need not be measured. If you are in any doubt about KC requirements, please check before entering.

Where the number of entries to a class or classes dictates, the Judge allocated on the Schedule for that class may need to change. Redgates will try and keep any such changes to a minimum.

All rings will be fully fenced and will have secure fenced entrances and exits.

LHO (Lower Height Option):

All large dog classes will have the option of LHO, where dogs can jump at Full Height (65cm) or Lower Height (55cm). However, each dog MUST jump at the same height in ALL classes. There will be separate awards for Full Height and Lower Height Dogs in all large dog classes.

*Please make sure that your entry correctly indicates the height at which your dog(s) will jump.
Kennel Club rules stipulate that this cannot be changed after the show closing date.*

Our Venue:

Please note dogs are not allowed in the Club House / Bar and the areas around the stables are out of bounds to all dogs and handlers. Showers will be located next to the entrance to the indoor arena. Parents are responsible at all times for the behaviour of their children whilst at our venue. Please respect the 5mph maximum speed limit throughout the venue.

Camping:

Camping is available for Friday, Saturday and Sunday nights at a cost of just £22 for two nights, or £33 for 3 nights. No arrivals before 2pm or after 8.30pm on Friday please. All units must leave the venue no later than 10.30am on Monday 8th August. Camping is limited to 175 Units. All camping units (plus cars, awnings and gardens etc.) must be within the marked-out camping spots. Roadways must not be obstructed.

Camping can only be booked by use of the separate Camping Form. We will confirm if you have or don't have a camping space via text or email within a few days of the receipt of your Camping Request Form.

Our standard sized camping pitches will be 10m x 8m (32 feet 10 inches x 26 feet 3 inches). However, to make best use of the limited available space on the main field, smaller pitches 8m x 8m and 8m x 5m will be available to those who do not need as much space. Please indicate on your camping form which size of pitch you require.

Over flow camping will again be in the "Top Field". This year camping will be available in the Top Field on Sunday night. The owners of our venue have also agreed to improve the access for caravans into and out of the Top Field for our 2017 Show.

If you would like to camp, we recommend that you book and receive confirmation that you have a camping space before entering the show.

Evening Meals:

The Ashfields Club House will be open and serving hot food and drinks on both Friday and Saturday evenings. Menus and Pre-Booking Forms will be available soon from the Redgates Club Website and Facebook Page. Please note that Ashfields do NOT accept payments via Credit or Debit Card

Measuring:

There will be official Kennel Club Measuring Sessions available at the show. Details will be made available in due course.

Dogs in Hot Vehicles:

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to / from, and whilst at KC licensed events.

- When travelling to / from a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog.
- At the show, your dog is vulnerable and at risk if left in a vehicle in high temperatures.
- Keep the dog in the shade - take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations.

Warning: If your dog is found to be at risk, forcible entry to your vehicle may be necessary without liability for any damage caused.

Facilities for the Disabled:

If you are Registered Disabled and require a camping space near to the rings, please make sure that you indicate this on your Camping Form. Similarly, if you need a parking space close to the rings, please email or phone us to let us know. (Please note this facility is only available for Blue Badge Holders).

ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Kennel Club Licensed Championship Agility, Premier Agility, Open Agility or Limited Agility Shows (i.e. special classes and invitational events excepted). Only a first place with a clear round completed within the course time set by the judge will count towards grade progression.

Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving Poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows: -

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for one or more consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results.

Progression. Progression from each Grade will require one Agility win or three Jumping wins in standard classes at that grade, at either the Full Height or Lower Height Option, except that progression from Grade 5 will require 3 wins at Grade 5, one of which must be an agility class. Progression from Grade 6 will require 4 wins at Grade 6, two of which must be agility classes. Results from Combined Classes will only count towards progression from the dog's current grade.

Points Progression. At the handler's discretion, a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers), except that there is no requirement for a minimum number of agility points. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade. Progression on points must be done prior to the closing date of entries. It is not possible to change a grade on points once the entries have closed.

STANDARD CLASSES

Only first prizes and points gained in standard classes at Kennel Club Licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the three jumping wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1 (Elementary): For owners, handlers or dogs which have not gained a first place in an Agility Class or three first places in Jumping Classes at Kennel Club Licensed Agility Shows. *N.B. Owners, handlers or dogs previously qualified out of Grade 1, (Elementary) are not eligible for this class.*

Grade 2 (Starters): Open to dogs which are not eligible for Grades 1, 3, 4, 5, 6, 7 and have not gained a first place in an Agility Class or three first places in Jumping Classes at Grade 2 at Kennel Club Licensed Agility Shows, or elected to progress on points from Grade 1. *N.B. Owners, handlers or dogs previously qualified out of Grade 2 (Starters) are not eligible for this class.*

Grade 3 (Graduate): Open to dogs which are not eligible for Grade 1 or 2 or have elected to progress on points from Grade 2 at Kennel Club Licensed Agility Shows and dogs which are not eligible for Grade 4, 5, 6 or 7.

Grade 4 (Novice): Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 3 or elected to progress on points from Grade 3 at Kennel Club Licensed Agility Shows and are not eligible for Grade 3, 5, 6 or 7.

Grade 5 (Intermediate): Open to dogs which have gained a first place in an Agility Class or three first places in Jumping Classes at Grade 4 and are not eligible for Grade 3, 4, 6 or 7.

Grade 6 (Senior): Open to dogs which have gained a minimum of 3 first places at Grade 5 at Kennel Club Licensed Agility Shows, one of which must have been gained in an Agility (not Jumping) Class, and are not eligible for Grade 3, 4, 5 or 7.

Grade 7 (Advanced): Open to dogs which have gained a minimum of 4 first places at Grade 6 at Kennel Club Licensed Agility Shows, 2 first places must be gained in Agility (not Jumping) Classes.

SPECIAL CLASSES

Societies may schedule classes other than those defined above as "Special classes". The eligibility for "Special" classes must be defined by the Society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles, the A-ramp, the Dog Walk, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule.

Marking for special classes may deviate from marking for standard classes, but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

LOWER HEIGHT OPTION

Societies may offer the Lower Height Option to all dogs in that height category and may be offered at all grades. It is to be run as part of any Standard class as defined in the regulations and must be clearly identified in the schedule. Each relevant class will have two height with a change part way through to higher/lower the jump heights and competitors must run at their entered height. The order in which the heights will run must be detailed on the ring cards/ring plan. There will be only one course walking at the start of the class. In a class where the Lower Height Option is available show organisers may offer one set of awards by combining the results of each height or may offer separate awards for each height category.

When the Lower Height Option is scheduled a dog may only be entered at either the Full Height or at the Lower Height and it cannot compete at a different height in any other class at that competition, including special classes. For these purposes a competition shall be defined as all classes covered within the same schedule.

No practice is allowed on the course save that competitors will be allowed to walk the course set at the height the dog is to negotiate without their dog(s) before the class begins.

For large dogs the height of the hurdle must be 650mm (2ft 1.6ins) for the Full Height Option, and 550mm (1ft 9.6ins) for the Lower Height Option. Full Height Dogs will run first in ALL Large Dog Classes.

Dog Agility is a competitive and physically strenuous activity. It is the responsibility of the owner / handler to ensure that their dog is / dogs are "fit for function", and that they themselves are fit to take part.

Enter Little Canfield, go passed the Lion & Lamb pub on your right, and go straight across 2 x mini-roundabouts. Enter Takeley, and at the traffic lights / cross roads next to the Four Ashes Pub (on your right-hand side) turn left onto the B183 signposted towards Hatfield Heath, and Hatfield Broad Oak. Then follow the directions below *

* From the Four Ashes Pub / Traffic Lights in Takeley:

Drive south along the B183 Station Road towards Hatfield Heath and Hatfield Broad Oak. Go over the old slightly humped backed (disused) railway bridge, and passed Takeley Sports Ground on your left-hand side.

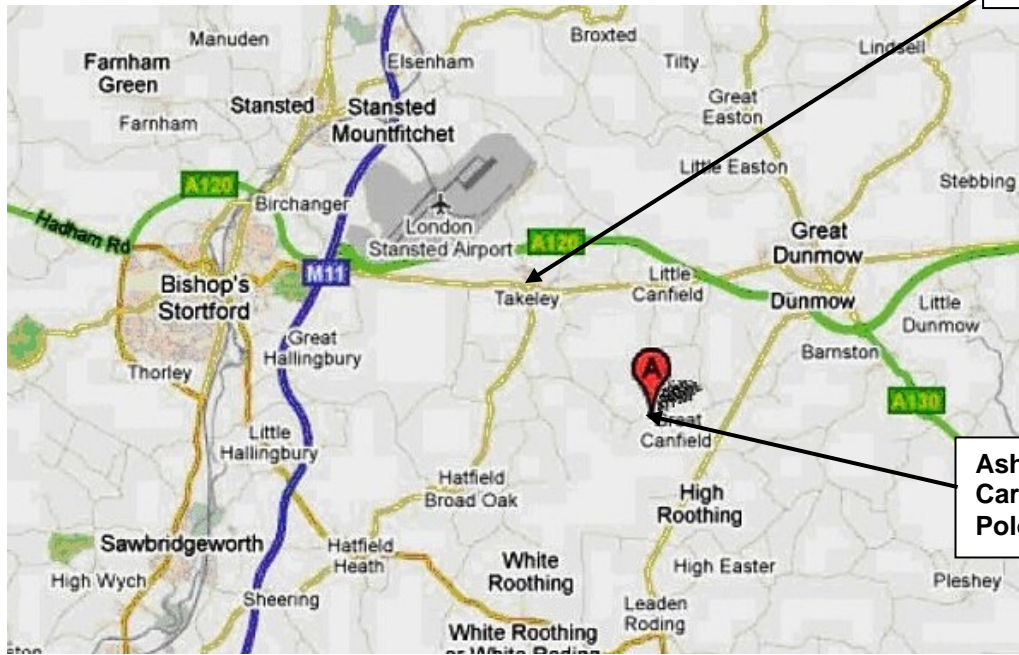

After approximately 1 mile turn left onto an unnamed road and go passed "Hartwood" on your left. Take the next 1st left turn heading towards Great Canfield and High Roding.

Keep going along this road for approximately 2 miles, towards Great Canfield along Green Street. Go through Hellman's Cross and then passed Cuckoo Lane on your left, the Cricket Club on your right, Fitzjohns Lane on your right and Griffin / Grange Farm on your left. The road bears round to the left and the entrance to Ashfields is through the white gates on your left-hand side. Please keep to the 5mph speed limit along the drive and follow the signs / marshal's directions to the camping and / or parking areas.

23. Dog Agility is a competitive and physically strenuous activity. It is the responsibility of the owner/handler to ensure their dog is 'fit for function' and that they themselves are fit to take part. By signing the entry form, you confirm that to the best of your knowledge your dog is fit and able to take part in Agility classes on the day of the show.
24. In estimating the number of awards won, all wins up to and including 25 days before the start of the competition, i.e. (11th July 2017), shall be counted when entering for any class. For these purposes a competition shall be defined as all classes covered within the same schedule. In the event that a dog becomes eligible for the next grade at a particular show, after the entry for that show has been sent, it is the competitor's responsibility to notify Agility Aid or the show secretary at least 14 days before the date of the show (22nd July 2017). The dog will then be moved into the appropriate class(es) for the next grade. The dog must be moved into the corresponding number of classes as were entered at the lower grade. If there are fewer or no classes available for the next grade the competitor will be offered a refund of the relevant entry fees.
25. Should circumstances so dictate Redgates Agility Club, in consultation with the Judges, may alter arrangements as necessary. Such changes and the circumstances surrounding them will be reported to the Kennel Club. Where the number of entries to a class or classes dictates, the Judge allocated on the Schedule for that class may need to change. Redgates Agility Club will try and keep any such changes to a minimum.
26. In the event that the show is cancelled due to unforeseen circumstances, Redgates Agility Club will refund fees, less reasonably incurred expenses. If the show processor has the provisions to do so, competitors will be refunded in the manner in which they had entered the show, but in any event the society will refund fees within 3 months of the show date to all those who had entered and requested a refund within 1 month of the show date.
27. Except for mobility aids, nothing shall be carried in the hand while the dog is under test and food shall not be given to a dog whilst in the ring.

28. Should the judge deem a re-run is required, any result and/or faults gained in the previous run must be discounted.
29. Separate entry forms must be completed by each owner and must signed by the owner or his / her authorised agent in accordance with provisions specified thereon. Entry forms must be accompanied by the appropriate fees. Overpaid fees will not be refunded.
30. Free Passes: Not applicable.
31. Competition of Dogs Suffering from Contagious or Infectious Disease - No dogs suffering from infectious or contagious disease or having been exposed to such disease during the period of 21 days prior to the Competition may compete. 33. Animals in Event: No animal other than one officially entered shall be brought into the precincts of the event during its continuance, except any dogs registered to assist the disabled, or dogs required for educational or instructional purposes or by permission of the General Committee. However, at the discretion of Redgates Agility Club, a dog brought to the show by a spectator may be admitted into the precincts of the dog show, with the proviso that those in charge of the dog sign a declaration confirming the dog is free from disease and that the dog will be kept under proper control at all times.

A breach of this Regulation may be referred to the General Committee for disciplinary action under Kennel Club Limited Rules and Regulations
37. If you choose to download your ring cards, you are agreeing for the information on them to be publicly viewable online.
